

Fall 2016

September Edition

MONTHLY BULL-etin

Ambitious Recruiting Campaign

A puzzled USF Racing driver was seen handing out flyers on August 24th. It appears, someone forgot to tell him he was not racing that day.

Our vice president is doing an amazing job with the recruiting effort! Hundreds are expected to attend our new member meetings.

Andersen Karting Driver Training

The last of our summer driver training sessions ended on August 28th. Have you ever placed Aim Solo telemetry on a kart before? We sure did!

Special thanks to our driving coach Matthew Barnaby. He has become a great friend to our USF Racing team.

Stop by Andersen Racepark and enjoy their outdoor track! 15% off for all University of South Florida Students. You do not need to be part of USF Racing Formula SAE Team to get the discount!

Only a Few Days Till Comp!!!

≈ 255 Days

If you thought this was too early to announce, think again!
First up, it's Formula SAE Michigan - May 10th 2017.

Summer Testing - Police Lot

We also put in some valuable time testing during the summer. We pulled even more data for next year's car. Those who came out during the summer did a fantastic job!

New Executive Board and Design Leads

Our new Executive board and Design Leads are working hard! Here is the current list of our executive board and design leads.

E-Board:

Zachary Evling – President and Team Captain

Aum Patel – Vice President

– Drivetrain Design Lead

David Schroeder – Treasurer

– Data Acquisition Design Lead

– Electrical Design Lead

Andrew Nelson – PR Director

– Composites Design Lead

Design Leads:

James Groh – Suspension Design Lead

Ryan Murphy – Powertrain Design Lead

Sujay Desai – Controls/Ergonomics Design Lead

– Frame Design Lead

Michael Elkins – Aerodynamics Design Lead

Jashwin Acharya – Promotions Coordinator

William Conover – Co-Treasurer

Daniel Kelly – Sponsor Coordinator

Jose Arias – Cost Report Coordinator

USF Racing succeeds on dedicated, hardworking and reliable students! Keep up the good work guys!
